This interactive CD and guide resource for teachers of migrant students provides insights about migrant students in your classroom and best practices within migrant education programs. Whether you are experienced or new to teaching migrant students, you will benefit from this resource. This is also useful tool for other migrant educators and counselors.

Informative and brimming with emotive photographs, poetry, heartfelt narration and resources, this CD features the insights of a migrant student, a teacher and an administrator about effective teaching and learning.

It shares how to build on existing student successes and how to use best practices to provide a rigorous curriculum and meaningful support. Stay up to date with links to web and other resources on migrant program requirements, state standards, and key migrant student initiatives and strategies.

Features: CD has options to either listen to the audio or turn it off for the read-only option. This CD and accompanying guide may be incorporated into professional development sessions or can be for individual teacher use.

Developed and distributed by the Intercultural Development Research Association.
