

What is your dream for children?

To live in a safe world.

What is your dream for children?

Que sean profesionales en lo que ellos quieran y elijan una carrera que los lleve a lograr sus sueños.

What is your dream for children?

My dream for my children is to be able to afford for them to go to college.

What is your dream for children?

Que sigan estudiando sus dos idiomas (inglés y español), que sean bilingües, que sigan perseverando en sus sueños, estudiando lo que más les guste para cuando lleguen a la universidad estén 100% seguros de lo que quieren y hayan escogido la profesión que más les haya gustado y que la puedan profesar con amor y no por obligación.

What is your dream for children?

I dream that all children from all sectors, classes, races, ages receive the same level of education and opportunities across the board.

What is your dream for children?

Me sueño para mis hijos es que logren sus metas, como estudiar, prepararse educativamente desde pequeños para que puedan ser unas personas inteligentes, de bien y profesionales y ser un ejemplo.

What is your dream for children?

For children to be able to follow their dreams without having to worry about the financial part of the education process.

What is your dream for children?

Our children need a voice in
the community and not be
ashamed of our heritage.

What is your dream for children?

Que mis hijos sean unos chicos con mucho éxito en la vida y aprovechen las oportunidades que ellos tengan (las que yo no tuve).

What is your dream for children?

That they become
successful professionals.

What is your dream for children?

Mis sueños eran que mis hijos todos se gradúen de la universidad en las carreras que ellos gusten tomar.

What is your dream for children?

To be able to attend a university
and receive a quality education
without the worry of such high
student loans.

What is your dream for children?

My dream for children is that they may become biliterate. Also, that they may value their culture and maintain their first language.

What is your dream for children?

Que se superen como bilingües porque ganan más por saber dos a más idiomas; es su futuro y su éxito.

What should policymakers know about children in your community?

Policymakers should know that education, safety and teacher pay are all relative!

What is your dream for children?

To be successful leaders.
Our children are our future!

*What should policymakers know
about children in your community?*

They are able to do anything
with the right back up.

What should policymakers know about children in your community?

Children are blameless in this world of discrimination. They don't decide where or when they are born.

*What should policymakers know
about children in your community?*

Need more funds so more
children can attend college.

*What should policymakers know
about children in your community?*

They have potential!

*What should policymakers know
about children in your community?*

They are bright students who
need more options for their
success.

*What should policymakers know
about children in your community?*

**We need more mentors
in our area.**
