

# Semillitas de Aprendizaje™

## Early Childhood Bilingual Literacy Development

Semillitas de aprendizaje is a bilingual (Spanish/English) supplemental early childhood curriculum by the Intercultural Development Research Association that is based on the art of storytelling. It focuses on literacy development and has culturally-relevant materials for early childhood and primary grades.

### Teacher Guide

10 units in 196 pages to support early childhood bilingual literacy development

### 10 Big Books

beautifully-illustrated bilingual culturally-relevant stories to encourage the richness of language and print

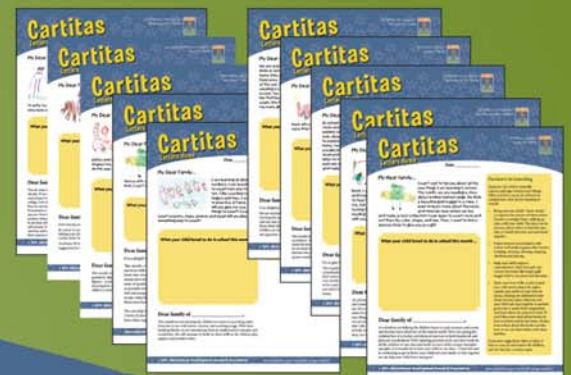

### 15 Math Books

bilingual for classroom and home use focusing on numeracy and social-emotional development

### 20 Cartitas - Letters Home

with family activities for teachers to send home for parents related to the 10 stories
