## 17 Counties Where High School Attrition Rates Cannot be Compared with Last Year\*

Briscoe	Falls	Jeff Davis	Mills
Carson	Fisher	Lipscomb	Motley
Cottle	Foard	McMullen	Throckmorton
Donley	Hardeman	Menard	Wheeler
Edwards			

Look up your county to see  
10-year trends

<http://budurl.com/IDRALook>

\* County rates cannot be compared from one year to the next when for either year (or both) the attrition rate is less than zero, there is no high school or the necessary data are unavailable to calculate the attrition rate. More information is on Pages 14-15 of the Texas Public School Attrition Study, 2015-16.
