College Access & Success

Bilingual Parent Institute • April 5, 2019

This annual institute offers families, school district personnel and community groups from across the country the opportunity to network, obtain resources and information, and receive training and bilingual materials on IDRA's nationally-recognized research based model for parent leadership in education. This year's institute, funded in part by the IDRA EAC-South and by the W.K. Kellogg Foundation, will highlight family engagement as it relates to the new Every Student Succeeds Act (ESSA).
