

Interrupting Bullying & Harassment in Schools Educator Checklist

This list outlines seven areas of focus for developing your own set of actions, determining your assets and challenges, and examining resources for creating a truly safe and friendly classroom and school where all students want to learn and succeed. This checklist is part of the IDRA EAC-South's free online assistance package, Safe, Friendly and Learning Supportive Spaces: Interrupting Bullying & Harassment in Schools.

Know your school's policies on bullying and harassment
