Call for Applications for IDRA's Youth Advisory Board

Applications are Open for Texas High School Students
Board members will receive stipend

We believe that impacted communities – particularly students and families – must play a central role in shaping the policies and practices that affect their schools. To continue prioritizing students in our decision-making, IDRA is excited to launch a call for our second cohort of IDRA’s Youth Advisory Board!

IDRA’s inaugural Youth Advisory Board members in 2022 created youth action research, convened a youth summit, produced a newsletter, and made recommendations to IDRA staff on programs and projects. Read more about them below!

Throughout 2024, the students selected for IDRA’s new Youth Advisory Board will give IDRA actionable recommendations to ensure our initiatives continue centering the expertise, needs, and dreams of young people and their families.

Additionally, board members will strengthen their own research, policy, advocacy, and communications skills to equip them to continue to be powerful agents of change in their schools and communities.

Board members will benefit from:

- Virtual program with $3,000 stipend (based on five hours a week for 40 weeks [about 9 months])
- A computer to use during the program
- Training from IDRA staff on research, policy advocacy, communications, and community engagement strategies
- At least two in-person meetings to strengthen relationships with IDRA staff and other Youth Advisory Board members

IDRA values the voices and perspectives of all young Texans. We highly encourage students with disabilities, LGBTQ+ students, and students from Black, Latinx/e, Arab, Asian, Pacific Islander and Native communities to apply.
If you have any questions or concerns contact Thomas Marshall or Christina Munoz.

Apply to IDRA’s Youth Advisory Board!

IDRA is an independent, non-profit organization. Our mission is to achieve equal educational opportunity for every child through strong public schools that prepare all students to access and succeed in college.
