Tools and Tips to Alleviate the Homework Gap - Interactive Teaching with Limited Internet Access

Tuesday, March 31, 2020 @ 2:00-3:00 pm (cst) - New date!

The homework gap is not a new problem. But with the move to system wide distance learning, it's not just a *homework* gap any longer. This webinar presents ways to support students who do not have internet access or computer.

Featuring

Dr. Stephanie Garcia, IDRA

Michelle Vega, IDRA

And Others

Equitable Practices for Teaching Online

This webinar helps teachers rethink their lessons plans for an online platform, including resources like teacher-created YouTube channels and explainer videos, tools for sharing resources with your peers, and ways of working with your district to ensure students have access. Presenters also gave an introduction to using Zoom and provided a sample math lesson using the Zoom whiteboard.

Featuring

Dr. Stephanie Garcia, IDRA

Dr. Paula Johnson, IDRA

Michelle Vega, IDRA

The Intercultural Development Research Association is an independent private non-profit organization dedicated to ensuring educational opportunity for every child. IDRA strengthens and transforms public education by providing dynamic training; useful research, evaluation, and frameworks for action; timely policy analyses; and innovative materials and programs.

IDRA works hand-in-hand with hundreds of thousands of educators and families each year in communities and classrooms around the country. All our work rests on an unwavering commitment to creating self-renewing schools that value and promote the success of students of all backgrounds.
