Help us celebrate IDRA's 48th Birthday!

For almost 5 decades, IDRA has brought together schools, communities and families to ensure student success.

Since its founding, IDRA has worked to make sure schools are funded fairly. Unfortunately, states continue to have funding systems that benefit some students more than others. Your support today will assist families, communities, and students – particularly students from families with limited

incomes, students of color, emergent bilingual students, and others – who demand access to great, well-funded schools.

IDRA is turning 48 on April 1st!

Please consider donating today!

Give to **IDRA** today and **double** your impact by **inviting your friends** to donate too!
