Bilingual Parent Institute March 27, 2020 * San Antonio

We are thrilled to announce our keynoter!

Texas State Demographer, Dr. Lloyd Potter

As families receive their Census 2020 forms, Dr. Potter will open our parent institute discussing why an accurate census count is so vital to our schools and communities. Dr. Potter is a professor in the Department of Demography at UTSA where he also serves as the director of the Institute for Demographic and Socioeconomic Research.

Join us and get tools for encouraging everyone to be counted!

Make plans now to join us for this popular and powerful annual institute where families, educators and community groups from across the country come together to learn from each other, network, get resources and information, and receive training and bilingual materials on IDRA's nationally-recognized research based model for parent leadership in education.

This institute is interactive and participatory.
All presentations are bilingual (English-Spanish).

Designed for families, community groups & educators of school-age children

Highlights

- Bilingual presentations on successful family engagement
- Roundtable educational presentations
- Breakout sessions on important education topics
- Refreshments and lunch included
- Exhibitors, including service providers, colleges and universities, and non-profits

The Intercultural Development Research Association is an independent, non-profit organization. Our mission is to achieve equal educational opportunity for every child through strong public schools that prepare all students to access and succeed in college. IDRA strengthens and transforms public education by providing dynamic training; useful research, evaluation, and frameworks for action; timely policy analyses; and innovative materials and programs.

We are committed to the IDRA valuing philosophy, respecting the knowledge and skills of the individuals we work with and build on the strengths of the students and parents in their schools.
